

AMANOHASHIDATE/KYOTO

Localisation: Japan

From: 2013-07-12

PROJECT CODE: CIEEJ1304JPN

To : 2013-07-25

PROJECT DESCRIPTION

Partner Description :

Kyoto Youth Hostel Association was established in 1968 and since then it has played a significant role in the field of international exchange activities in Kyoto. Kyoto is one of the most historic cities in Japan. In order to help establishing better understanding over the foreign cultures between people who live in Kyoto, and people who visit the city, Kyoto Youth Hostel Association hereby welcomes the volunteers from all over the world. Amanohashidate Youth Hostel(ENGLISH): <http://www.hashidate-yh.jp/english.html>

Work Description :

Volunteers will be taking care of guests, cleaning and organizing guest rooms and the hostel, and giving information to the guests in the mornings and early to late evenings. (Around lunch time and holidays will be free of duties.) Volunteers will be expected to join the preparation for and carrying over the events which will be held in hostel and to accompany guests to local traditional events as a guide. Volunteers will visit local elementary school and give presentation about their countries. They are also encouraged to write about his/her volunteer experience on the Youth Hostel'

Accomodations :

Volunteers will be accommodated in the hostel. Bedding will be provided. There are a washer, a kitchen, a lavatory and a bathroom. Internet access is available. A small shop is located within 10-minute walk. Breakfast and Dinner will be served every day. (When you go out, it will be cancelled.) Lunch (of approx. 500 JPY) will be provided as well.

Location :

Amanohashidate, one of the most famous sightseeing spots in Japan, located in northeastern Kyoto, has been attracting people for hundreds of years with its unique landscape. It is also known as one of the top-three best views in Japan. '

Requirements

Participants need English skill to communicate with international guests staying at the hostel. Also basic Japanese skill is required in order to work with Japanese staff. Volunteers are expected to be physically strong and adaptable to cultural diversity.
