#### WELCOME WORDS FROM OUR CAMP LEADER

Dear volunteers,

Firstly, it is a great honor for me to be able to welcome you here in Vietnam. I would like to express how happy I feel to have the opportunity to manage and meet a group of people like you who have travelled from different countries. I believe we can do our best to utilize an environmentally conscious attitude, bring a smile to the children of the reserve, and become closer by working together on this project.

Welcome to Vietnam, I am sure you will be inspired by the country, the local people and, Vietnamese food. Finally, I would like to thank you for your interest in volunteering in Vietnam. We respect you and your kindness. I look forward to meeting you in Vietnam.

Best wishes,

Do Minh Duc

## **LOCATION OF YOUR PROJECT**

**Work location: Hope Centre, Lap Thach district, Vinh Phuc province, Viet Nam**

## **BACKGROUND OF THE PROJECT**

Lap Thach Centre of Hope was established in 1998 by Global Education Development Agency (GEDA), a US based non-governmental organization. The aim was to help children who are orphans either of one or both parents and are in financially difficult circumstances or whose parents are handicapped and have little extended family support.

While living at the orphanage the children are placed at a local school, and given a chance to develop and gain greater opportunities for their future through education. The kids live in a common building with a separated room for male and females with very basic living conditions. They receive a support allowance, just only 1 USD each per day, from the local commune for food. The centre is trying to call for outside support in terms of organizing extra curriculum activities for kids with organized camping outings, sports and especially English support.

## ROLES AND TASKS

- Do gardening, plant vegetables, build a cage for livestock and build a bigogas system.
- Volunteers are expected to be their English teacher (decide what to teach, make it engaging, interesting and colourful).
- Try to encourage the children to learn English by organizing leisure activities in English (audio, books, etc...), by providing the self-help materials.

## DAILY LIFE

Volunteers will work 5 days per week some weekend working is required but will be conformed and agreed beforehand and will be compensated later.

### **Accommodation:**

Volunteers will stay in a private room at same building with the kids in orphanage.

### **Food:**

Food will be provided by the cooking staff. You will have 3 meals everyday with kids and staff there. Sometimes you may make your own if you may prefer another style of breakfast, and it would be better if you can eat alone those days.

### **Day off and holidays:**

You have 2 days off per week. Mostly during the weekend, unless there are specials events in your working place.

### **Daily transportation:**

We provide you with a bicycle for travelling around the town.

### **Extra information:**

We have been hosting plenty of international volunteers from around the world and we understand that besides the desire to help the local community, volunteers also wish to

learn more about Vietnam and its interesting history and culture. Volunteering abroad is a great way to meet new people from different countries, particularly people who have the same interests as you. We hope you can enjoy your time together and we will try our best to help you get the most out of your time in Vietnam.

Above are some recommendations for your reference, there are still plenty of interesting places in Vietnam which are not mentioned and you may discover yourself during your travels.

**Note:** If you travel and stay overnight in a guest house or hotel, you should take your passport with you. You will need it to check-in. Reception will usually keep it, and give it back when you pay & check-out. It is normal practice for them to hold on to your passport for the duration of your stay!

### HOW AND WHEN TO GET THE MEETING POINT

An email will be sent to you with more details. Generally, on the day of arrival, a taxi will take the volunteer to SJ's office and will be met by our coordinator to welcome and do the orientation there.
