1.02.2019 > 1.02.2020 CONSERVATION AND RURAL SUSTAINABLE DEVELOPMENT

Erasmus+ program

Project CARE

Where : South Devon, United Kingdom

Association :

Ambios Ltd is a non-for-profit & non-governmental organization in the UK. It provides nature conservation training through volunteering projects.

Project description :

The 2 volunteer placements will be based on a farm where volunteers will live with a mixed and multicultural society.

The placement itself will involve a wide range of nature conservation tasks including improving wildlife habitat, engaging & educating audiences with nature conservation and widening participation in nature conservation.
